

Final Exam Planning Matrix

This matrix is a guide to help plan the scheduled day for final exams. This matrix only shows class periods for on-grid courses. If a class meets one day a week, it's final exam will be on that day for a two hour block starting at the normal class start time. If you do not see your class meeting time on the matrix you can call Facilities Planning and Use at 303.556.8376 to verify the actual date your exam will be scheduled. The information on the date of the exam is available anytime. The room will not be confirmed until the final exam schedule is completed at the end of the sixth week of fall and spring semesters.
