[rules and regulations for campus safety]

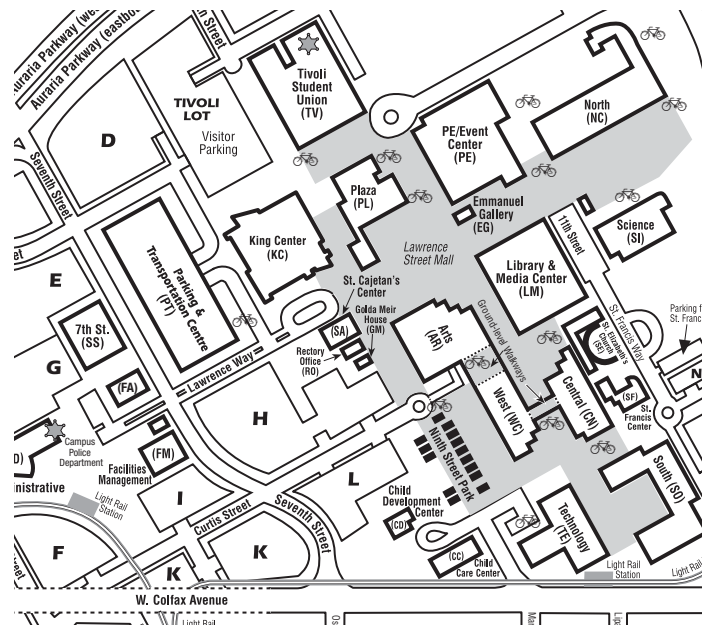

Riders are encouraged to:

- a. Use U-shaped LOCKS
- b. Always PARK in designated areas
- c. WATCH OUT for pedestrians
- d. Dismount in PEDESTRIAN ONLY zones
- e. WEAR SAFETY EQUIPMENT at all times

1. Pedestrians always have right-of-way.
2. Riding bicycles, skates, rollerblades and skateboards is prohibited in the marked pedestrian zones.
3. Bicycles, skates, rollerblades and skateboards cannot be operated in any campus buildings.
4. Stunts and exhibition riding of bicycles, skates, rollerblades and skateboards is prohibited unless in the context of an organized, sponsored campus exhibition.
5. Bicycles must be parked in bicycle racks in order to promote maximum security and minimal environmental damage. It is prohibited to park any bicycle in a manner that would endanger the ecology of the campus, i.e., on the grass or locked to trees or bushes.
6. It is prohibited to lock any bicycle to a railing, sign post or streetlight; or park in walkways, service drives, driveways, building entrances, ramps or other passageways where fire or emergency equipment, service equipment, pedestrians or wheelchairs may need access.
7. No bicycle may be parked inside hallways, classrooms or other public areas of the campus.
8. It is a violation of state law to be in possession of a bicycle or any other property with an altered or defaced manufacturer's serial number.
9. Every person operating a bicycle on the Auraria Campus is required to adhere to all state traffic regulations, especially those pertaining to the observance of traffic control signals, signs, and lights.
10. Bicycle equipment shall comply with Colorado state vehicle code. A small light shall be used when a bicyclist is traveling at night.
11. Riders and skaters must comply fully with all traffic control devices and campus signage.

**Failure to observe state and campus rules and regulations may result in bicycle impoundment and/or ticket issuance.**
