PROJECT UPDATE | December 3, 2019

-------------------------------------------------------------------------------

GENERAL
The impact of the severe winter storm put a temporary halt to all project work last week.

STAGE 12 & 13 WORK
Beginning Monday, December 2nd and continuing until the work is completed

- Work continues along Larimer Street between 11th Street and the Plaza Building.
  
  o Please Note: Thursday, December 5, 2019
    On Thursday, December 5th no vehicular traffic will be allowed on 11th Street between Larimer Street and Lawrence Way as the new line is tied into the existing line at 11th Street and Larimer Street.

    Deliveries to the North Classroom and the PE/Events Center should be scheduled for Wednesday, December 4th or very early Thursday, December 5th. As there will be no vehicular access once work commences. Please call 303-556-3260 if you have any urgent conflicts.

STAGE 1, 2 & 6 WORK
Saturday, December 7–Sunday, December 8, 2019

- Work will continue through the weekend on north side of the Science Building and on the east side of the Auraria Library where Stages 1, 2 and 6 intersect on the map provided.
