Auraria Campus Community,

As we return to campus for the 2023 Fall Semester, the Auraria Campus Police Department (ACPD) would like to remind all students, faculty and staff of the many on-campus safety programs offered to our community. It's good practice to keep a list of campus safety resources in the occurrence that you or someone you know needs access to them.

In the case of an emergency or incident, [ACPD](#) is a dedicated, full-service police department, operating 24 hours a day, seven days a week, 365 days a year. ACPD is committed to enhancing the quality of life on the Auraria Campus and for the institutions it serves—the Community College of Denver (CCD), Metropolitan State University of Denver (MSU Denver), University of Colorado Denver (CU Denver). ACPD Officers, Neighborhood Community Officers and their entire staff diligently train each year to ensure that they are able to quickly address any issues that may impact our community.

The Auraria Campus Police Department is responsible for:

- Protection of life and property
- Detection of crime
- Enforcement of laws and regulations
- Investigations
- Traffic control
- Building and facility security
- Presentations and training to promote safety on campus
