Approval of Minutes

Approval of the January 22, 2021 ACPD Community Advisory Board (ACPD CAB) meeting minutes was postponed until the next meeting,

Public Comment

None.

Chairperson's Report

Marcia Walsh-Aziz represented the committee officers with no new information to report.

Information Items

ACPD CAB and CU Denver Psychology Senior Seminar Capstone Course

Lauren Gutierrez updated the board with information on the collaboration between ACPD CAB and Dr. Shyu's psychology class. The class is currently gathering information to place on the surveys and will hopefully be in contact with ACPD CAB soon.

Town Hall Meeting

Chief Michael Phibbs presented an idea for a town hall between ACPD, ACPD CAB, and the campus community. This event is a replacement of the annual Campus Safe Night event normally held during the fall semester. The board discussed potential formats for this town hall and will continue to plan an event with assistance from AHEC. Nahum Kisner, Queen Pompee, & Marcia Walsh-Aziz volunteered (Lisa Tafoya included as well) to be part of the panel and Marcia will check on availability from these smaller groups to help establish a day and time. More updates to come at future meetings.

Feedback on 911 Calls & Cellphone Proposal

Chief Michael Phibbs presented details on routing on 911 calls that originate from cellphones on campus. Calls to 911 from cellphones are routed to 911 based on cell tower and not physical location, so calls on campus are routed to City of Denver dispatch, which slows response time by several minutes. This issue only pertains to cellphones and not landline calls. Chief Phibbs presented information on a company that would geofence the Auraria Campus so location information is routed to ACPD dispatch immediately, even though the call is still routed to Denver dispatch. The board requested more information on severity of this issue and cost before taking any action on a recommendation.

Action Items

Public Comment Guidelines

Discussion on public comment guidelines continued from previous meetings. The board discussed limiting public comment to 30 minutes total and 5 minutes per person and it would occur at the beginning of meetings. Accessibility of meetings and documents was stressed by multiple board members. Marcia Walsh-Aziz, Megan Cullen, and Lauren Gutierrez will meet with AHEC staff before the board takes any actions related to public comment.

March 25th ACPD CAB Meeting

Marcia Walsh-Aziz brought it to the boards attention that the March 25, 2021 meeting of the ACPD CAB falls during spring break.

Board Comments/Announcements

None.

Adjournment

The meeting was adjourned at 5:00 pm.
