

*The Auraria Higher Education Center (AHEC) and award-winning global design firm Sasaki are announcing two open houses set to take place Wednesday, Sept. 6 and Thursday, Sept. 7.*

*The open houses will serve as an opportunity for campus partners and community members to learn more about the ongoing 2023 Auraria Campus Master Plan project, being led by Sasaki.*

*These events will be held in an open format where visitors can come and go during the duration of the open house, engage with the partners about the projects, and leave feedback.*

*The first open house, Wednesday, Sept. 6, will be held in conjunction with the City and County of Denver's Community Planning and Development department, working with award-winning global design firm HDR. This open house will focus on the Auraria Campus Master Plan as well as the Cherry Creek and Speer Boulevard Vision and Reconfiguration Feasibility Study.*

*The open house will take place on the second floor of the CU Denver Building, located across Speer Blvd. at 1250 14th Street, from 4:30-6:30 p.m.*

*The second open house will be held at St. Cajetan's on Auraria Campus at 101 Lawrence Way, Thursday, Sept. 7, from 11 a.m. - 2 p.m., and will solely focus on the Auraria Campus Master Plan.*

*Coinciding with this announcement of the open houses, a Co-Map Survey, created by Sasaki, is now live. The results of the survey will inform the physical design, educational opportunities, and development scenarios to be considered for inclusion in the final Master Plan. The survey can be found [HERE](#).*

*These updates, as well as any future updates about the Master Plan, will continue to be announced on the [2023 Auraria Campus Master Plan Website](#).*
