In the most recent long bill (FY 14-15), an additional amount in excess of $17 million was received with the final installment of $5 million anticipated in September, pending State revenues. A significant component of the design process is to create a new primary entry to the building on the north side (Lawrence Street Mall – the Academic Corridor), along with a wrap around patio. Representatives from Studiotrope Design Collective, the project architectural firm, will present the preliminary exterior design concepts for the project.

4. Action Items:

   The Budget for Fiscal Year 2014 – 2015 has been developed with consideration to new revenues, mandated cost increases and other needs. The Chief Financial
Officers have reviewed and accepted the budget, which will be presented for Board approval.

**Recommended motion:** That the Auraria Board of Directors approve the FY 2014-15 Budget, as presented.

**B. Tivoli Entertainment Complex (attachment: Tivoli Term Sheets)**
The Auraria Board of Directors adopted a series of goals for the Campus, which included the development of the Tivoli Entertainment Multiplex, a series of venues to include a Conference Center, Film Center, Tap room/ Brewery, and Training Center, designed to support institutional opportunities. The concept has materialized and details of the programs will be discussed. Leases with Tivoli Distributing, Inc., CU Denver, and MSU Denver are represented in three term sheets (attached) associated with the project. The programs, as defined thus far, will bring nearly $7M in capital improvements to the facility, as well as creating new revenue streams.

**Recommended Motion:** That the Auraria Board of Directors approve the elements of the Tivoli Multiplex and authorize the EVPA to negotiate and execute the associated leases, as presented, and commence with the development of the multiplex.

**C. Capital Development Five Year Plan (attachment: Five-Year Plan)**
The Capital Development Five Year Plan is updated and submitted annually to the State. The Year One (FY 15-16) request will contain the final $5,400,000 installment of the Library project with a market escalation included. The Year Two request is for the first Arts facility: the King Center ($32,000,000) and the Year Three is for the second Arts facility: the Visual Arts Building ($21,660,000).

**Recommended Motion:** That the Auraria Board of Directors approve the Five Year Plan for submittal, as presented.
