Agendas:

1. **ASCP Presentation on Compost Operations:**

- **Issues with Zoom and Presentation Setup:** There were initial difficulties with Zoom audio and screen sharing, but these were resolved.
- **Overview of Compost Operations:** Robbie Tepperberg and Riley McComb presented an update on compost operations, including hauling, sorting, and processing. They also discussed the introduction of electric tricycles for compost collection and the acquisition of an in-vessel composter unit.
- **Data Collection:** The presentation highlighted the collection of over 12 tons of compost and the relatively low contamination rate.
- **Questions and Concerns:** Attendees asked about outreach efforts regarding compostable materials and plans to expand compost collection across the campus.

2. **Budget Proposal for Earth Week:**

- **Presentation by Amy:** Amy presented a detailed budget proposal for the upcoming Earth Week, emphasizing events like the Earth Extravaganza, Compost Ribbon Cutting, Alternate Transit Days, and an End of Week Celebration.
- **Partnerships and Savings:** The presentation highlighted partnerships and savings amounting to an equivalent of \$16,000, aiming to stretch the student dollar further.
- **Justification and Impact:** The proposal justified the events in terms of addressing campus food insecurity, promoting reuse culture, and enhancing on-campus composting and recycling services.

Resolutions:

A resolution was passed to support and fund the SeCor Cares Free Food Mobile Market with a total cost of \$3,500 from the Student Advisory Council Terrier Board's budget.

General Business:

- **Master Plan Steering Committee Meeting:** A request was made for SACAB members to attend a meeting on April 5th, from 8:30 to 10:00 AM, before the next SACAB meeting.
- **Reminder of CCD Discussion:** Scheduled for March 26th at 5:00 PM in the conference rooms of the confluence building.

Meeting Adjourned: The meeting was adjourned at 11:00 AM with plans to continue discussions on the specified action items in upcoming sessions.
