### AGENDA

- ☐ Approval of Agenda and Minutes

**Agenda and Minutes approved unanimously**

- ☐ New Business

#### A. All-Gender Bathroom Tabling

Frida emailed LGBTQ about printing a new poster about the new all-gender restroom. Hopefully he'll get back to her soon and the group can get some good feedback during the tabling event. Frida, Mayra, and Courtney are all available on the 24<sup>th</sup> of the April for their next SACAB table. The table will be held in the Tavern, right outside the Turnhalle from 12:00 to 2:00 when hopefully the traffic will be greatest.

#### B. Free Parking Passes

There are still 20 left-over daily parking passes from the help pantry initiative, so Frida inquired if there was perhaps another initiative where we could give away the remaining passes. The concept

of handing them out at tabling events for Spring Fling was introduced by Kathryn and will likely be the outcome. Mayra would like to give them to folks who take the FSAC survey. Kathryn and Ariel will double check on if SACAB has a table at Spring Fling.

C. End of the Year Report

Frida would like everyone to provide an end of the year report. She is hoping to have them in the next week or two. This should help the next SACAB chair and board members get familiar with their positions; it should be about two paragraphs and include personal experiences with SACAB, what could have been done better or differently.

☐ Position Announcements

○ SGA

CU Denver: is busy discussing the Ink Coffee contract. Someone recently approached Frida and talked about how students from other institutions aren't allowed into certain events or to have their food. While most events are open to students from other institutions, some are not, especially at CU Denver. It sounds like almost all of MSU Denver's events are open to any student. Frida talked about the need to come up with a mutual agreement between the schools regarding who can eat at their events.

MSU Denver: No report

CCD: had a very successful Muslim event that celebrated their culture and heritage.

○ Campus Update, Ariel Redell/Rob Byers

The folks from the 5280 Loop are coming to speak with SACAB again on April 27. They want to get student input. SCP is also holding a big conference on campus next week. Ariel suggested that in lieu of their regular meeting, they attend the conference. The new SACAB sign will hopefully be going up soon. If anyone is available, please stop by the SACAB election table next week to help with voting (if you are not running again).
