AGENDA

- ☐ Approval of Agenda and Minutes

The group did not approve any minutes. Tabled until their next meeting on 5/18.

- ☐ Guest Speaker: Bill Mummert, AHEC CFO

Bill came and talked the group through his presentation regarding the overall AHEC budget (presentation filed with the minutes). He explained where “AHEC’s money” comes from, and where it goes. This helped the group to understand why last year’s SACAB group created the Pricing Task Force to review costs of Tivoli and outdoor rental spaces. Additionally, it provided them with a better understanding of the needs on campus.

SACAB provided Bill with two recommendations:

1. To bring the budget to SACAB early in the year, so that they understand from the start, where money is coming from and going to.
2. To create some sort of marketing campaign to help the campus community understand what the parking enterprise does and what they pay for with the money they get from daily parking and citation fees. There seems to be a lot of miscommunication about this, and SACAB felt that students would be receptive to information about how parking works.

The group thanked Bill for coming.
