New Business
- Chair Update
  - No Current Applicants for front desk space
  - Would like SACAB members to attend the performance with su theatro “El corrid” describing the history of Auraria Campus
    - Imperative to address the communication regarding the history of the campus
It is important to come into the SACAB office to clean the office and turn the lights on on a weekly basis attempt to get into the office

- **Subcommittees / Task Force / Roles**
  - SCP Sustainable campus program
  - TRC Tivoli Reprogramming Committee
    - The dance dept cannot register for space in the King Center and would like some help with information.
  - Safety Task Force
    - Presented at CAB to create a reimagining public safety task force.
    - Introducing safety and alternatives to policing. It seems to be received well and currently the next steps will be to creating a space for individuals to communicate concerns
      - Would like to talk about changing SACAB’s time so that it may be less frequent to devote more time to the committee.
  - Food Service
    - Tivoli Brewing Committee would like to request a hard liquor license on campus.
      - The student org policy is stringent enough that the concern is not entirely relevant (i.e. alcohol is served at all, so how would liquor be different?)
      - Some students are in recovery and the group meets on campus regularly
        - That is also just part of recovery, and you will be exposed to these sorts of things.
        - Has anyone talked to CU Denver about this?
    - Students are interested to bringing alternative foods to campus (Gluten free, vegan, kosher, and halal options)
      - Once we receive the information about starting the committee then we should know which spaces are available for use
      - There are options on campus for food options
